claim 22, line 1, delete "claim 16" and insert --claim 1--.

REMARKS

This Amendment is being made after the mailing of the Notice of Allowance and Issue Fee Due. Claims 1-23 remain pending in this application.

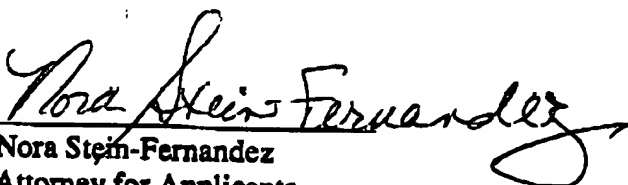

The undersigned attorney has reviewed the application at this time and is submitting this Amendment under 37 C.F.R. §1.312(a) in order to correct the dependency in each of claims 20, 21 and 22. Originally, method of treatment claims 20, 21, and 22 were dependent on compound claim 16. Clearly these claims should have been dependent on a method of treatment claim and not a compound claim. This inadvertent error is being corrected by the Amendment herein. It is urged that none of the amendments submitted herein introduce any new matter into the application or change the scope of the previously allowed claims 1-23, but merely place the application in better condition for its issuance into a patent.

No fee is deemed necessary by this Amendment, however, the Commissioner is hereby authorized to charge any fee necessary to Deposit Account No. 19-2750.

In view of the foregoing, it is respectfully requested that this Amendment be entered without withdrawing the application from issue.

Respectfully submitted,

By:
